A Weekly Newspaper Devoted to Furthering the Civic and Rural Interests of the Whole of Washington Township

51 YEARS OLD — NILES, CALIFORNIA FRIDAY, APRIL 14, 1939 — No. 15

AROUND the TOWNSHIP

Elaborate plans have been completed for entertaining a host of visiting firemen, public officials and other citizens from all parts of the state at Newark on Sunday when the new fire hall is dedicated.

Prospective guests for the occasion have been told in their written invitations sent out by the Newark Boosters Club that in addition to the festivities, they will be able to see the largest stove factory west of the Rockies, a million dollar chemical plant, two salt harvesting plants, a salt refinery, the first bridges ever to cross San Francisco Bay, the largest electric substation in the world and numerous dairies and farms in surrounding territory.

All this should make a worth while trip for any visitor.

* * * *

And, if you haven't managed to get there yet, there still is an hour or two of pleasure awaiting you at the California Nursery Company's bulb show. Last official day of the show will be next Sunday and the tulips are a rare blaze of glory right now.

Assembly Bill 2398 very properly is termed one of the most nefarious money-raising proposals to be submitted to the legislature. The measure would subject all the proceeds of life insurance and accident insurance policies to the California inheritance tax, the percentage of the levy being undetermined.

In other words, the present law exempting from taxation all proceeds of life insurance policies under $50,000 would be removed and the few paltry dollars which the husband and father has managed to save to keep his life insurance in good standing will be levied upon by the inheritance tax collector.

Thus, the bill, if it became law, would be a tax on widows and orphans who, through life insurance now are being prevented from becoming wards of the state or subject to public charity.

Address a protest to your assemblyman without delay.

Hobnobbing with royalty with your feet almost under the same festive board is no common lot even among the members of the newspaper fraternity. But, it was the experience of Mrs. Gladys Williamson of Niles on Tuesday at Castlewood Country Club luncheon hour with their Royal Highnesses, Crown Prince Frederik and Crown Princess Ingrid of Denmark and Iceland as they were winding up their visit to the Bay section.

The private luncheon for the royal party numbering 14 was in the main club dining room, with four other tables at which sat club members and a group of newspaper reporters, photographers and society editors who happened to be present.

Mrs. Williamson says the Princess is much prettier than her pictures and the Prince bears a marked resemblance to King George of England.

Niles Day Program At Treasure Island Being Put In Shape

NILES — Further plans for Niles Day at the Golden Gate Exposition on July 3, were made at Monday's meeting of the Niles Chamber of Commerce after a report by C. W. Kraft, chairman.

Exhibits have already been promised by the Kraftile plant, the Kimber Poultry Breeding Farm and the California Nursery Company. There will also be exhibits of historical interest and by the Niles Rotary Club. Efforts are being made to arrange a band concert.

Further arrangements for care of plants recently put out by the nursery at the entrance to Niles were made. The stock was donated and a bill for $33 for labor in planting was ordered paid.

Opposition to two assembly bills was voted and telegrams ordered sent to legislators. Bill No. 167, wages and hours act which is said to contain drastic provisions not in uniformity with the national act was opposed. Bill No. 231, the anti injunction act, which would practically deny employers any protection or relief through the courts against unfair picketing and boycotting, was also opposed.

According to Preston Hotchkiss, chairman of the Labor Relations Committee, this bill would deny the employer the right to appeal to State courts for protection against union or employee activities, regardless of whether or not the employer has any power to settle the dispute.

Side Splitting Riot Describes Show On Two Nights By Lions

CENTERVILLE —Judging from all preliminary signs, the show to be put on by the Centerville Lions Club and other prominent business men of Washington Township is going to be a sidesplitting riot when the curtain goes up on "Beautiful Women".

For instance, Captain Oaks as the mother of the bride and Frank Botelho as his loving husband—George Hellwig as the mother of the groom and Peter Decoto as his coy spouse, to say nothing of Raymond Pond as "grandma" gives some faint idea of what the performance offers. Allen Walton as the aenemic bride will alone be worth the price of admission.

Other leading parts already assigned include Chuck Kraft, master of ceremonies; George Smith, the bridegroom; Frank T. Dusterberry, grandpa; Dr. T. C. Wilson as the minister; Manuel Almeida as Duke "Workhorse" and Harold DeLeon, the French maid.

Others in the cast will be A. D. Lewis, Jr., Ernest Pementel, Vernon Rose and Anthony Petsche, four well dressed society girls; Dick Attinger, mayor; Ed Enos, chief of police; Bill Bunk, superintendent of ash cans; Dr. Grimmer, city attorney; E. D. Bristow, dog catcher; Dr. G. S. Holman, mortician.

M. D. Silva and Louis Lewis will be ringbearers and Mat Whitfield, trainbearer.

There will be a barber shop quartet and special stunts, including a terpsichorean feature by eight flower girls, Judge Norris, Warren Gravestock, Frank Katzer, Jack Rees, Jack Brady, Alvin Morse, Jud Taylor and Jack Greely.

More than 75 men of the township will be in the cast. Ed Redmond of San Jose is directing and will bring a group of San Jose players to put on an additional comedy "drammer" called "Oh Doctor." This skit depicts the finding of the fountain of youth and its ensuing complications.

The two night performance will be given at the Washington Union High School on Thursday and Friday nights, April 20 and 21, for the benefit of the club's charity fund. Preliminary arrangements are being made by President Loren Marriott, J. V. Goold, A. J. Rathbone, Harold DeLeon, Judge Allen G. Norris and others.

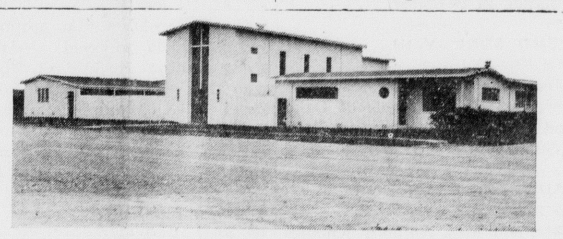
Crowd Overflows New Church Building at Dedication Service On 50th Anniversary Sunday

NILES—Dedication of the new $20,000 Niles Congregational Church took place Easter Sunday afternoon before a crowd which overflowed the church chapel and the adjoining Ladies' Guild room.

Rev. F. V. Jones, pastor of the church in 1911 when the structure which burned last year was built, was made pastor emeritus following resolutions adopted by the congregation Sunday morning. The resolutions were presented to Mr. Jones by Dr. Harley Hayes Gill, superintendent of the Northern California Congregational Conference.

Rev. R. C. Day, pastor, had charge of the service. Greetings from neighboring congregations were given by Dr. W. J. Attwood, pastor of the St. James Episcopal church of Centerville; Rev. Vernon Brown, pastor of the Washington Township Presbyterian Parish; Rev. Godfrey Matthews, pastor of the Eden Congegrational Church at Hayward.



CONGREGATIONAL CHURCH OF NILES

A statement for the board of trustees was made by Fred H. Duffie, chairman. The scripture reading was by Wesley Dexter Gordon and the dedicatory prayer was offered by Dr. Pierson Parker, pastor of the North Congregational church of Berkeley. The benediction was pronounced by Rev. Matthews.

Mrs. A. W. Layne acted as organist and vocal solos were given by Nellie Pauline Gordon and Anna Milicent Shinn. The robed choir took part in the service also.

The following memorial gifts were acknowledged: A piano by Mr. and Mrs. O. E. Walpert in memory of their daughter, Jacqueline May; another piano in memory of "Mother Hatch"; the organ, the gift of the family of the late Lenore Day, wife of the pastor; an altar for the children's department made by O. B. Paulsen of Hayward and the gift of the Eden Congregational Church of Hayward; and a memorial window for Mr. Day's parents and the parents of his son in law, the late Rev. and Mrs. William C. Day and the late Rev. and Mrs. W. C. Conditt.

Among other gifts which amounted to approximately $5,000 for the building fund was $250 worth of shrubs and landscaping by the California Nursery Company. The building was further financed by a $13,000 insurance policy.

Resolutions thanking the Alameda County Board of Supervisors, the house committee of the Veterans Memorial Building at Niles and the Washington Township Post of the American Legion, No. 195, and its Auxiliary, for use of the building during the past year were read by Dick Attinger, secretary of the board. Mr. Attinger also announced that the bell on the old church had been melted in the fire which destroyed the building and the parsonage last Easter season, had been pieced together into a plaque which would be placed in the foyer of the church.

The dedicatory service also marked the 50th anniversary of the church organization. The original site and building in Old Town was acquired on Dec. 12, 1889. A few months later the group incorporated as the First Congregational Church of Niles. The incorporation papers were signed on August 21, 1890 by Rev. Fred H. Maar, pastor; and Walter N. Bristol, clerk. They bore the names of the following trustees, Jane R. Clough, Emily P. Mayhew, H. G. Ellsworth, H. C. Shinn and William Snyder.

The present site was purchased in March, 1907. In 1911, under the pastorate of Rev. F. V. Jones, the church destroyed last year was built. Succeeding pastors have included Edson D. Hale, Harley Gill, E. C. Oakley, Allen R. Goozee, Arthur D. Seebart, E. G. Brinkmeyer, Wesley Gordon and Mr. Day.

Following the service, those attending inspected the church plant and the parsonage. Spanish architecture and simplicity mark the entire plan, modern convenience being an outstanding characteristic of the Sunday School rooms, the Guild kitchen and the parsonage. E. E. Dias, contractor was thanked by the trustees for his excellent workmanship in constructing the building and E. A. Ellsworth for his activities in making the new church posisble.

Bogus Inspector To Be Sentenced Today On Robbery Charge

CENTERVILLE —Sentence will be pronounced to John Anderson, charged with robbery and with possession of a deadly weapon at the time of the alleged offense, at the Centerville Justice Court this afternoon at 3 o'clock.

Anderson was given a preliminary hearing last Friday. The complaint was signed by Maria Ponti and alleges that Anderson collected a $27 check from Felice Ponti, Centerville baker. Testimony indicated that Anderson forced Ponti to write the check for services in "fixing" the meter in order to lower P. G. & E. bills. Anderson represented himself as an inspector of the P. G. & E, according to Mr. and Mrs. Ponti.

Mrs. Ponti testified that when Anderson demanded a check, Ponti wrote same but she, not believing that it was worth $27 to just "look at the meter" grabbed the check and tore it up.

She further said that Anderson assumed a threatening attitude and forced her husband to write another check made to "cash", instead of the "Jack Andrews", the name given by Anderson. The defendant promised to return the following month and said Ponti would "be surprised" when he got his P. G. E. bill.

Anderson was held to answer to the Superior Court after a hearing on a bad check charge at Hayward last week.

Who knows most about Building cars?

Ford has built more than one-third of all the automobiles ever built in the world

THERE are more Ford cars in use today than any other make. And there are more Ford V-8s than any other 8-cylinder car.

The 1939 Ford V-8 represents the broadest experience in building cars any manufacturer ever had. You will find values in it far beyond what any other maker can put into a car at the low Ford price.

Ford performance, traditional for a generation, has reached new heights in the 1939 V-8.

And now Ford style leadership is equally outstanding. "The smartest cars on the road" is the way owners describe their new Fords. Smartest in action. Smartest in appearance. Leaders, as they deserve to be.

Look at these FORD FEATURES

- *STYLE LEADERSHIP*—The luxury car in the low-price field.
- *V-TYPE 8-CYLINDER ENGINE*—Eight cylinders give smoothness. Small cylinders give economy.
- *HYDRAULIC BRAKES*—Easy-acting—quick, straight stops.
- *TRIPLE-CUSHIONED COMFORT*—New flexible roll-edge seat cushions, soft transverse springs, double-acting hydraulic shock absorbers.
- *STABILIZED CHASSIS*—No front-end bobbing or dipping. Level starts, level stops, level ride.
- *SCIENTIFIC SOUNDPROOFING*—Noises hushed for quiet ride.
- *LOW PRICES*—Advertised prices include many items of desirable equipment.

Danish Royalty Is Entertained Tuesday At Castlewood Club

Southern Alameda County played host to their Royal Highnesses, the Crown Prince Frederik and his consort, the Crown Princess Ingrid of Denmark and Iceland, on Tuesday.

One of the loveliest days of Spring greeted the Royal visitors and their party which arrived in four cars decorated with American and Danish flags at the hacienda of the Castlewood Country Club, also bedecked with the national flags of the two countries.

A luncheon was served in the main club dining room. The table was banked with red roses and white lilacs, the national colors of Denmark, and masses of calla lilies and Spring blossoms transformed the club rooms into a bower of bloom.

The Princess wore a rose-colored wool suit with long coat and a matching hat trimmed with bands of black, and flat-heeled brown walking shoes. The party, including representatives from Denmark to this country, Lady in waiting to the Princess, the Consul General from San Francisco, the Foreign Press official from Copenhagen, and others numbered 14.

The Royal couple were greeted at the club entrance by a delegation of Danish people from Pleasanton and Hayward. A large arm bouquet of tulips was presented to the Princess by little Miss Diane Elliott, four year old granddaughter of Mayor and Mrs. Thomas Orloff of Pleasanton. Flowers were also presented by Miss Gove Schaffelitsky, daughter of Baron and Baroness Schaffelitsky de Muckdadell who reside in Pleasanton.

After the luncheon, the Prince and Princess ducked into their waiting car in front of clicking cameras.

California world markets and the many products that go to them from California are graphically shown in the Agricultural Exhibit at the Golden Gate International Exposition. This is the theme exhibit in the agricultural section, which contains no prize pumpkins but does emphasize the fact California products are better and merit greater world markets. The California Commission invested $425,000 in Agricultural Hall exhibits, said to be the most comprehensive any world's fair has yet shown.

NEWARK — The Newark Bluebird Club was entertained last week at the home of Marie Dutra. The next meeting will be held at the home of the new president, Mary Duarte on May 2.

Club Is Told Of Hospital Services Rendered Children

NILES — Mrs. Frank T. Dusterberry, new district president of Women's Federated Clubs, and Mrs. Roland Bendel, recording secretary, were honored at a meeting of the Country Club at the Old Adobe last week. This is the first time the local club has furnished a district president since Mrs. J. E. Thane held that office many years ago.

Services of the Children's Hospital of the East Bay to the children of Alameda County were explained by Mrs. William Harrold Oliver, chairman of the branches, and Dr. Harry Beal Torrey, medical director of the clinic.

Mrs. Oliver stressed the fact that the hospital since it was established 27 years ago had been for all children of the county. Since the opening of the children's department in the Highland Hospital, indigent children have not been cared for but all others, regardless of the degree of their ability to pay, have been treated. Last year 13,000 visitors came to the clinic for treatment. Mrs. Oliver praised Toyon Branch, established here 22 years ago.

Dr. Torrey, formerly instructor in biology and in charge of student health at Stanford University, recently made a member of the staff of the Children's Hospital, told of the various phases of its service. He spoke of the possibility of the establishment of a school for spastic children—those sufferng a lack of coordination as evidenced in lack of control of muscles in limbs, stuttering, etc. A bill is now before the state legislature which would make it possible for the Public School Department to cooperate in the founding of such a school.

He spoke of the importance of the clinic, or the out-patient department. "We like to get hold of the patient before there is much wrong," he said. He also spoke of the well baby clinic, the 27 general and special departments, the physiotherapy, the orthopedic and the social service departments.

Reasons for the success of the hospital, he said, consist largely in the splendid group of women working for it.

"Women are stronger sex," he said. "While statistics show that there are more men born than women, more of them die and they do not live so long."
